

Cleaning Cloths

Heavy Duty
30x50cm - 90 sheets

Multi-purpose
40x24cm - 100 sheets

We know the aftermath of creating baked goods can be big, so we've developed new heavy duty cleaning cloths to tackle those kitchen cleanups while saving you money.

With 90 sheets per roll, these new cloths are absorbent, dries fast, and tears off the roll with ease – everything you need in a heavy duty solution.

Our smaller roll of multi-purpose cleaning cloths is still available for your basic clean ups – so you have a solution no matter your budget.
