

Plant Based Crumbed Tenders

Gilmours Plant Based Crumbed Tenders

Our crumbed tenders are a tasty soy-based meat alternative with a crunchy crumb coating, NZ made, vegan and have 11g of protein per serve.

With plant based eating on the rise these versatile meat substitutes are ideal for busy chefs looking for a plant based product to use in burgers, taco's, wraps and platters.

Perfect for cafes, bars, fast food and caterers.
